

Program-Specific Selective Admissions Criteria

In addition to meeting the General Admissions Requirements, applicants to the following programs must also meet the following selective criteria.

Cardiovascular Sonography

The cardiovascular sonography program requires a criminal background check for admission. See the "Criminal Background Check" section in this catalog for details.

Dental Hygiene

The Dental Hygiene program requires a criminal background check and an interview with the Program Director for admission. See the "Criminal Background Check" section in this catalog for details. The Program Director interview takes into consideration previous academic performance, healthcare experience, and overall professional presentation. The outcome of the Program Director interview is considered in ranking applicants.

Diagnostic Medical Sonography

The Diagnostic Medical Sonography program requires a criminal background check for admission. See the "Criminal Background Check" section in this catalog for details.

Pharmacy Technician

The Pharmacy Technician program requires a criminal background check for admission. See the "Criminal Background Check" section in this catalog for details.

Surgical Technologist

The Surgical Technologist program requires a criminal background check and an interview with the Program Director for admission. See the "Criminal Background Check" section in this catalog for details. The Program Director interview takes into consideration previous academic performance, healthcare experience, and overall professional presentation. The outcome of the Program Director interview is considered in ranking applicants.

During the enrollment process, students will sign a disclosure to include the location of the campus where they will attend along with their address. If a student changes their address during their enrollment, they should contact the Campus Registrar at the location where they are enrolled.
